Sooryaprabha Convention Centre

was conceived and executed by K. P. Mohan with the idea of contributing to the development of Kerala by inspiring people to see Kerala as the best place to organise events. Be it Private, Public or Corporate events, Kerala is a great place to have an event memorable for life.

The wonderful climate, the rich culture, the friendly people and the natural beauty of the place helped to choose the capital of God's own country as the place where the idea of Sooryaprabha would bloom.

Conveniences like the half-an-hour drive to the airport or bus station and the prime location aided the decision-making process. Today, Sooryaprabha stands tall as the one-stop destination for all things magical.
